Point 41 Capital Partners (“Point 41”) partners with management teams to drive transformational growth.

We invest in growing, well-structured markets within the specialty industrials and services sectors, creating value for all stakeholders by combining our differentiated sector knowledge with our comprehensive operational model.

Point 41 is headquartered in Greenwich, CT.

Our Ideology

-  **Team**
Partnership mentality, management alignment and diversity of experience and skill sets.
-  **Expertise**
More than 50 years of experience building leading middle-market companies in our sectors of focus.
-  **Execution**
Proven processes and data analytics inform all decisions and promote accountability.
-  **Integrity**
The basis of every relationship and interaction, and the foundation of our reputation.

† These investments (the “Pre-Point 41 Investments”) are portfolio companies of private investment funds advised by other private equity sponsors (inclusive of their affiliates, the “Prior Firms”), at which one or both of Point 41’s Managing Partners (i.e., Wolfe and Wadsworth) previously performed investment activities, are used with the permission of such Prior Firm, and do not constitute “track record” information of Point 41 or any Managing Partner for purposes of the U.S. Investment Advisers Act of 1940, as amended. An investment in any fund sponsored by Point 41 does not represent an interest in any Pre-Point 41 Investment or any other portfolio company of private investment funds sponsored by the Prior Firms. Such Pre-Point 41 Investments are presented solely to illustrate the investment strategies which were used by the applicable Managing Partner while at such Prior Firm. No claim is made as to the performance of the Pre-Point 41 Investments by Point 41, nor that its Managing Partners (or Point 41 itself) were in any way solely or primarily responsible for acquiring, holding, or exiting such Pre-Point 41 Investments. Other investment professionals (aside from the Managing Partners) at the Prior Firms participated in the investment process regarding such Pre-Point 41 Investments, including with respect to sourcing, negotiating, monitoring, and realizing such investments. Final investment decisions concerning the Pre-Point 41 Investments were made by investment committees of the applicable Prior Firm. No Prior Firm or its affiliates will be involved in investment management decisions regarding Point 41’s funds and/or portfolio companies.
